

**Zro.mL2449**

Secondary structure diagram of the Zro.mL2449 RNA sequence. The diagram shows various stem-loops and bulges, with regions labeled P1 through P10 and P1 through P10.1. The sequence is 25 nucleotides long, as indicated by the '(25)' at the bottom left. The structure is complex, with multiple stems and loops, and is labeled with nucleotide bases (A, U, G, C) and their positions.
